

REMARKS

The present amendment is submitted under 37 C.F.R. §1.312 in order to amend claims 49 and 56 to include the feature of electrical isolation. During review of the claims, it was noted that this feature was inadvertently omitted from the claims and that these claims were substantially the same as claims 1 and 9. Thus, the 312 Amendment is necessary to correct these inadvertent informalities. The amendment of claims 49 and 56 does not add new matter and review and approval is respectfully requested. If the Examiner feels that any further discussions about this case would be beneficial, he is invited to contact the undersigned.

Respectfully submitted,

Eric J. Robinson
